

OUR PROMISE

MWR is a firm founded on quality, client care and legal talent, all underpinned by the Investors in People award and ISO9001 accreditations.

As a result of decades of work with trade unions, our support of the trade union movement is reflected in our commitment to quality, client care and partnerships.

You need to contact your union representative for further information on the precise terms of your union scheme.

trade union legal services

FOR ALL THE FAMILY

www.mwrlaw.com

MWR is proud of its record of helping trade unions support and assist their members.

Through your union, you have access to MWR's full spectrum of legal services in areas such as employment law, accidents at work and industrial illnesses.

Furthermore, we can also assist you outside the workplace, whether it is buying or selling a house, or advising you in the case of family bereavement.

With expertly qualified, specialist teams at your disposal, you can be sure that you're in the best possible hands with MWR. Whatever your legal requirements – your trade union and MWR Solicitors are here to help.

MAJOR BENEFITS

Our Trade Union services provide free:

- representation for you and your family following any accident
- representation for you in any employment dispute
- initial advice for you on any legal matter
- preparation of wills for you and your partner

You will also be entitled to discounted legal fees when you buy or sell your house
